"The Harrolle family would like to thank everyone for their gratitude and support during this difficult time. Bruce was the most amazing father and husband. The only thing that would keep him away from his family was his passion for his job. He will be truly missed by his family and friends every minute of every day and by all that encountered him," said DPS Director Roger Vanderpool.

"The DPS officers who are also paramedics are some of the best trained people in the state. In the last year Bruce had completed 40 air rescue operations. He truly is and will always be a hero. He was making a difference and doing what he truly loved," said Vanderpool.

**Funeral services for Bruce Harrolle are pending.**
